In Zone Statement

The address given at the time of application for enrolment must be the student's place of residence when Takapuna Primary School is open for instruction. This means that if you currently live at an in-zone address but move to an out-of-zone address before your child's first day of attendance at Takapuna Primary School, your child will not be entitled to enrol at Takapuna Primary School.

The Ministry of Education has advised that parents should also be warned of the possible consequences of deliberately attempting to gain unfair priority in enrolment by knowingly giving a false address or making an in-zone living arrangement which they intend to be only temporary e.g.

- Renting accommodation in-zone on a short-term basis
- Arranging temporary board in-zone with a relative or family friend
- Using the in-zone address of a relative, business or friend as an 'address of convenience', with no intention to live there on an ongoing basis

If Takapuna Primary School learns that a student is no longer living in the in-zone address given at the time of application for enrolment and has reasonable grounds to believe that a temporary in-zone residence has been used for the purpose of unfairly gaining priority in enrolment at Takapuna Primary School, then the Board may review the enrolment. Unless the parents can give satisfactory explanation within 10 days, the Board may annul the enrolment. This course of action is provided for under section 110A of the Education Act 1989.

I confirm that the address, which I have provided to Takapuna Primary School, will be the place of residence of:

_____ (student's name)

I will advise Takapuna Primary School of any subsequent change of address.
