TPS Team Reflections

TPS Basketball-

Takapuna Hawks-have shown a noticeable improvement in their performance this season, both in individual skills and in their teamwork. Great communication, determination, and commitment to training has paid off with a win in Week 8's game. You all supported one another and stayed focussed right until the final whistle.

TPS Slam Dunkers- had the best game this season as a team. Excellent shooting and defending.

TPS Tigers -

The Tigers have had mixed results over the past two weeks. A challenging game against Northcote at Event Finder stadium last week. This week a great team win with several players away. Great to have a deep bench!

North Harbour Basketball- have gifted TPS a bag of basketballs for our players to use during PE sessions and leisure times. Thank you to NH Basketball for your presence at TPS with the coaching, holding tournaments and resources, we appreciate you.

Takapuna Splashes- have made outstanding progress this year, the team played through to the semi finals and won their game 3-0, congratulations. Amazing team work and dedication displayed throughout, with no subs they were focused on a win and it really paid off. From last place in Term 1 to Finals on Sunday 14th, the team and TPS are so so

proud of you all!

TPS Run Club - we have run most of Term 3 even on the coldest Wednesday mornings. Thank you to all the guide runners who turn up every Wednesday to support our runners. I hope to see you all next Wednesday at 8:05am by the Collins St gates for our last run of the term. Registrations are open for Term 4 Run Club which will be a fantastic opportunity for everyone to get fitter and stronger for athletics.

Peninsular Football Festival - TPS sent five teams to this festival and all of them played fairly, had fun and scored lots of goals. Thank you to the parents who supported us by being our drivers and managers.
